Re: MiVida Mine  
San Juan County, Utah  
ACT/037/028

Dear Mr. Nielson:

Thank you for meeting Jim Smith and myself at the MiVida Mine on April 12th 1978. The Division must receive the map or aerial photo of the mine area before we can continue the approval process for the MiVida Mine. The map or photo must show surface ownership, present and proposed surface facilities, dumps, ore stockpiles, shafts, adits, county and mine roads, surface drainage, and power lines. Disturbances and facilities not created or used by Minerals West in the past or future should also be delineated. Your cooperation in this matter is greatly appreciated.

Sincerely,

*K. Michael Thompson*
